**EXTERNSHIP DESCRIPTION**

1. Briefly describe your roles, responsibilities and organization to help students understand what you do and what they may learn about from an externship visit/meeting.

2. Describe the activities that a student may observe or participate in during an externship at your organization (this can include a possible schedule you have in mind). If you offer an information interview, please describe the topics that may be discussed during the meeting.

3. Briefly list any previous industry/field in which you have worked.

4. Please list resources that may help students research your organization:
**SPONSOR REQUIREMENTS AND PREFERENCES**

We hope you will consider hosting a student from any class year, college, major, or citizenship. Students select externships based on requirements and preferences stated by the sponsor as well as a variety of personal goals (exploration of, or refining, interests within a career field; assessing “fit” with the organization, etc.). Some organizations do require visitors and hires to have specific qualifications, and we offer you the option to specify these requirements and preference to assist us in the matching process.

I have **no** requirements or preferences for my student extern.
